

Do you want to advocate for children and families in your community?

Child Care Action Council is currently seeking individuals with a passion for early learning to serve on our Board of Trustees.

### AS A BOARD MEMBER YOU WILL

- Help set the long-term strategic direction and operational policies of the organization
- Support fundraising efforts and increase awareness of Child Care Action Council's work in the community
- Attend community events hosted by the organization
- Support volunteer recruitment for the organization

### BENEFITS OF SERVICE

- Work with a diverse and committed group of volunteers who play an active role in the organization
- Network with other individuals and community organizations committed to making child care and early learning accessible for all
- Learn and grow your understanding of child care accessibility and its impact on women, families, and our economy
- Explore advocacy and leadership opportunities at the local, regional, state and federal levels

### BOARD RESPONSIBILITIES

- Attend monthly (remote) Board meetings on the first Monday evening of each month
- Serve on at least one standing committee (Executive, Finance, Governance, Marketing & Development, Public Policy)
- Support fundraising and public awareness activities

### OUR MISSION

To promote and nurture early learning communities where children and families thrive.

### OUR VISION

Communities where children are the focus and we all work together to ensure that:

- Child care is accessible for all who need it
- Professional development for child care providers results in high quality child care
- Communities are engaged in supporting child care and early learning
- Parent education is provided throughout communities

### WHERE WE WORK

Child Care Action Council provides early learning supports and services in a 6-county area that includes Thurston, Mason, Grays Harbor, Jefferson, Clallam, and Kitsap counties.
